

House Resolution No. 1085

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens or distinguished themselves through significant personal achievement; and

Whereas, the members agree with Thomas Jefferson when he said “I know no safe depository of the ultimate powers of the society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education”; and

Whereas, the members are pleased and proud to pause to recognize Missouri educator Carol Boriss, of Chesterfield, Missouri, who has been honored as the McKelvey Elementary School’s Teacher of the Year; and

Whereas, Carol Boriss is a reading teacher, and she makes her home in Chesterfield, Missouri; and

Whereas, McKelvey Elementary School, in Maryland Heights, Missouri, is planning a special celebration to honor Carol Boriss on April 4, 2008; and

Whereas, Carol Boriss is the beloved wife of Steve Boriss, and they are the devoted parents of two daughters, Jenny Boriss and Julie Boriss:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to applaud McKelvey Elementary School Principal Dr. Bruce Knight on the selection of Carol Boriss as the School’s Teacher of the Year, with our most sincere best wishes to her in all her future endeavors; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Carol Boriss, as a measure of our esteem.
